CLASSIC TALENT QUEST

THE CLASSIC TALENT TOUR

Welcome,

on the following pages you will find your personal tour plan through experimenta.

Total number of stations: 18
Duration of the tour: about 114 min
Your tour leads through the following levels: 1, 2, 3

Would you like to find out more about yourself and look your talents more closely? If you would, then this tour is just right. Test your abilities at different interactive stations. Only the first try counts. At the end you will receive an analysis report at one of the visitor stations in the foyers.

You can customize and edit your tour at any visitor station at experimenta or comfortably at home by visiting www.experimenta.science.

At each interactive station of your tour you can log in and follow your tour progress. There you will also get a hint where to find your next interactive station.
